Ancillary Benefits (All Plans)

No Deductible applies to the following benefits:

Towing:

In the event of a **Breakdown** covered by this **Contract**, **We** will pay or reimburse **You** for receipted towing expenses up to seventy-five dollars (\$75) per occurrence. Any payment shall be for actual towing charges in excess of any applicable reimbursement from the manufacturer or any other towing coverage.

Car Rental:

If **Your Vehicle** incurs a covered **Breakdown**, **You** may also be eligible to receive reimbursement for a portion of **Your** car rental costs. The amount **We** will repay **You** depends upon the total authorized cost of covered repairs for each repair visit, as shown in the table below:

Repair Cost	\$200 – \$500	\$501 – \$1,000	\$1,001 – \$1,500	\$1,501 – \$2,000	\$2,001+

We do not cover time spent waiting for parts, or any other delays beyond **Our** control. Before **We** can repay **You**, **You** must give **Us** valid receipts from an authorized rental car agency or the dealer.

Roadside Assistance*:

All of our plans provide reimbursement for Roadside Assistance, subject to a fifty dollars (\$50) per occurrence limitation. The emergency services for which this would apply are:

- Lock-Out Assistance
- Fuel Delivery Services
- Flat Tire Assistance
- Battery Service

For reimbursement for Roadside Assistance benefits, submit **Your** paid receipt and the details of the service(s) performed on **Your Vehicle** to the **Administrator**.

Please refer to the service contract for complete information regarding coverage.

New Vehicle Coverage

Driver's Plus offers a wide range of new vehicle coverage to complement your vehicle's current factory warranty and the way you drive. Choose from three levels of coverage and several time/mileage options that best suit your lifestyle, driving habits, and intended length of vehicle ownership. Today, drivers keep their vehicles longer than ever—a fact that often leaves them unprotected against mechanical and electrical failures after the vehicle's factory warranty has expired. Driver's Plus offers protection for your vehicle for up to seven years and 100,000 miles, and coverage begins the day you purchase your service contract.

Pre-Owned Vehicle Coverage

With four levels of coverage, Driver's Plus offers affordable options to ensure pre-owned vehicles are protected against costly mechanical and electrical repairs. Unexpected mechanical failures are an unfortunate part of life, but with Driver's Plus, the most critical and expensive components of your vehicle are covered starting the day you purchase your vehicle.

This brochure highlights the benefits of the Driver's Plus Plans. Please refer to the actual service contract for coverages, exclusions, terms, conditions and limitations.
